## Student Email Account Activation Procedures

DISTED College has assigned official DISTED email accounts to individual students to ensure effective communication. This email account will be used for official communication with regard to college matters.

Please refer to the following steps to activate your student email account:-

1. Use Internet Explorer and go to <https://www.outlook.com/dmail.disted.edu.my>
2. Key in your Student ID to log into your email.

(STUDENTID)@dmail.disted.edu.my

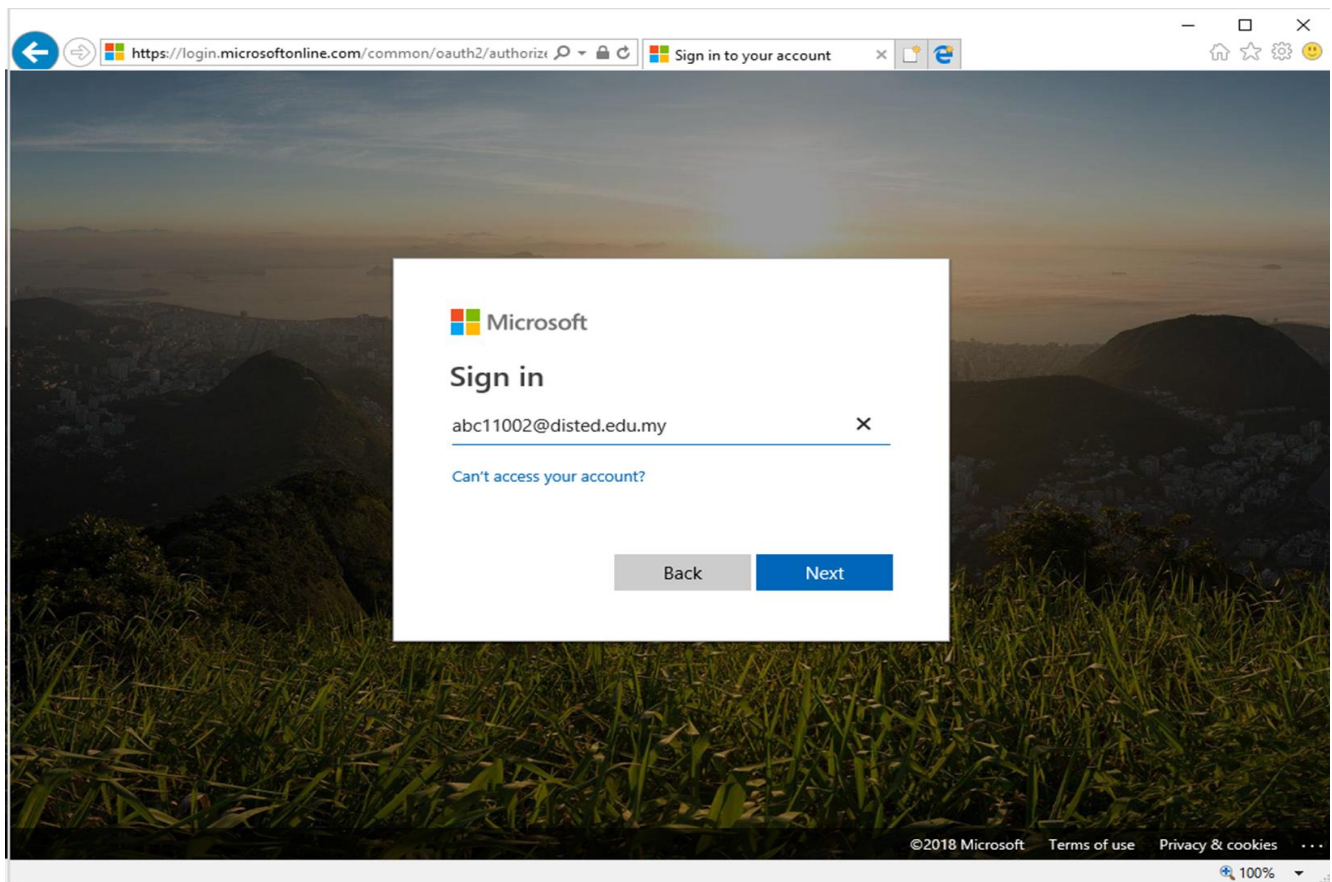

*(Note: There is no space in between the letters and use small letters)*

3. Password
  - a. Starting from 01/09/2018, Dmail password is synchronized with your Students+ password.
  - b. If you haven't change you Students+ password, the default password is your **IC#** or **Passport#** (for international students), followed by "@d".

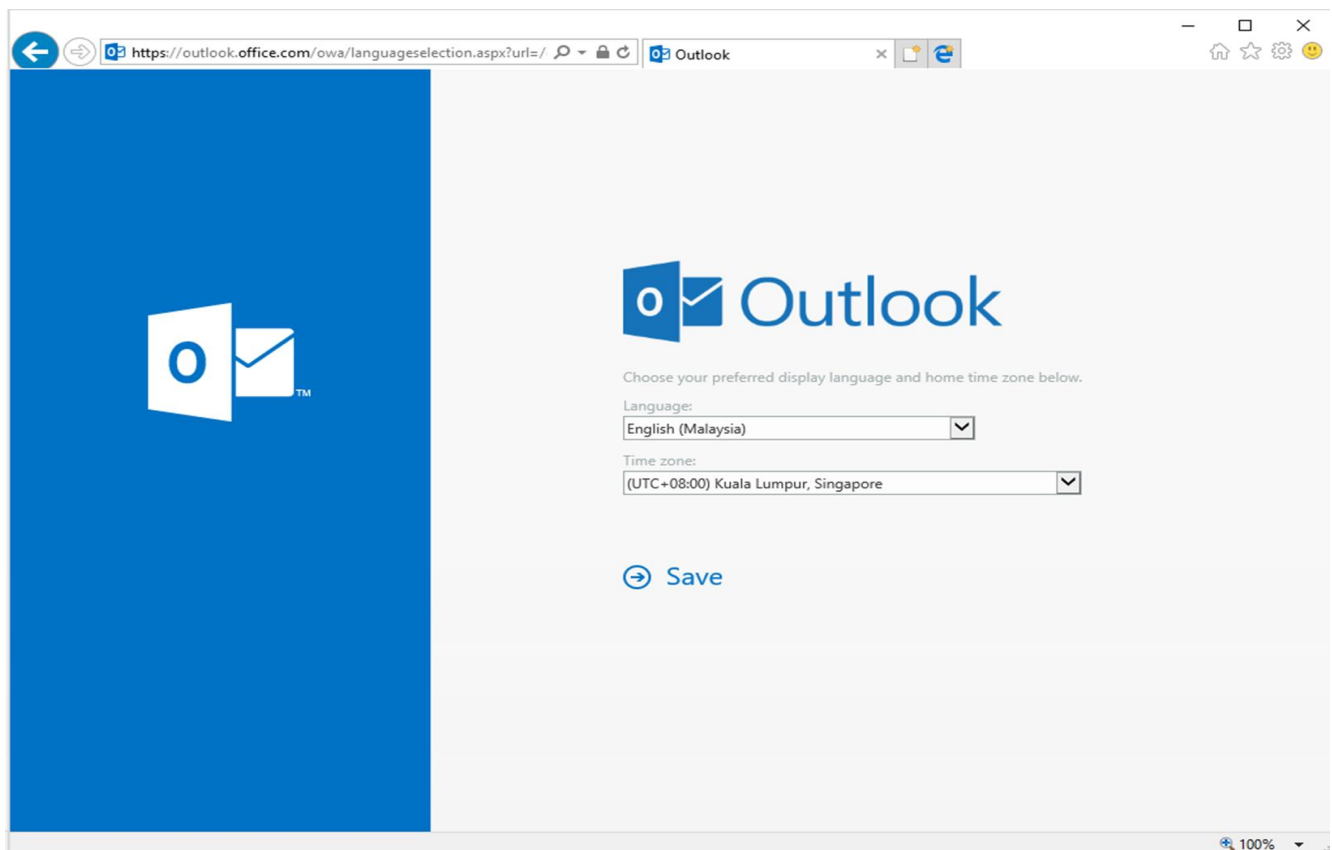

*For example: 991234017890@d or a1234567@d*

*(Note: Please key in new IC# without "-")*

- c. If you have already changed your Students+ password, use the new password to log in Dmail.

3. Select the correct Time Zone (Kuala Lumpur, Singapore). Click on “save”.
