Staffordshire University Business Degrees

Duration of Study

Intakes are available in January, March, July and September for a duration of 6 semesters over 3 years totalling 120 to 121 Malaysian Qualifications Framework credits and fulfilling Staffordshire University curriculum structure of 360 credits. These programmes are to be completed entirely at DISTED.

Why choose DISTED?

At DISTED, you experience an exciting, practical all-rounded tertiary education conducted in a conducive campus environment. Learning approach includes group classroom teaching, discussions, research projects and oral-aural activities.

- All our degree programmes are conferred by Staffordshire University, UK.
- Diploma graduates are also awarded with dual certification from BTEC and DISTED.
- Qualified, experienced, dedicated and caring lecturers supported by experienced technical staff who closely monitors student's academic progress.
- High quality textbooks available to students for required reference on assignment topics.
- Programmes supported by an Industry Advisory Panel comprising representatives from prominent enterprises, providing networking and assistance in matching academic programmes with industry needs and employment market trends.
- Ideal learning environment at our purpose-built Yeap Chor Ee Heritage Campus with excellent modern facilities.
- Scholarships are available to Malaysian students*.

**Terms and conditions apply*

BTEC Higher National Diploma (UK)

In addition to its existing diplomas, DISTED also delivers the BTEC - Business & Technology Education Council Level 5 Higher National Diploma (HND). It is the only institution of higher learning in North Malaysia fully endorsed by Edexcel to exclusively offer the BTEC HND qualification in Business Studies, Accounting, Hospitality Business Management, Engineering, Computer Science and Creative Multimedia.

The BTEC HND Advantages

- Awarded by Edexcel, UK's largest awarding body regulated by The Office of Qualifications and Examinations (Ofqual).
- Work-related qualification built to accommodate the needs of employers and allow progression to universities.
- Places emphasis on assignments, projects, practical learning and understanding of courses.
- Recognised by 95% of higher education institutions in the UK, and over 200 leading universities worldwide - including several of The Times top-100 ranked universities in Australia, Singapore, Malaysia and Hong Kong.
- Recognised by the Malaysian Qualifications Agency (MQA).

Diploma in Accounting

KPT/JPT(N/344/4/0126) 01/18 MQA(FA2009)

Programme Overview

DISTED's Diploma in Accounting programme provides cutting-edge knowledge and practical techniques of accounting, finance, management, auditing, law, taxation and accounting information system. Students will learn to prepare and maintain a full set of accounts for small and medium-sized organisations, and will be competent in using international computerised accounting software.

The programme builds a solid stepping stone into diverse employment opportunities in the areas of accounting, finance and management including management accounting, financial accounting, auditing, forensic accounting, management consultancy and corporate finance.

Upon completion, students can articulate into the second year of a 3+0 Staffordshire University (UK) business degree at DISTED or progress to ACCA Qualification studies with 3 paper exemptions at DISTED, which leads to globally recognised professional accountancy status.

Programme Overview

The ACCA qualification is a globally recognised professional accountancy credential that opens doors to prospective careers in finance, accountancy and management. It equips you with the expertise to work as a finance and accounting professional in any organisation type or size, both in the private and public sectors. The qualification is the best established career foundation for senior management and leadership opportunities in the future including finance director and chief executive.

Why study ACCA at DISTED?

DISTED is an ACCA computer-based examination centre in Penang. Qualification is awarded by the ACCA, UK, which has international status and reputation as a world leader in accountancy education. This means your qualification will be well respected in all employment sectors all over the world.

DISTED ACCA students' scores exceed global passing rate.

The ACCA programme at DISTED also offers the opportunity to concurrently gain a Bachelor of Science (Hons) in Applied Accounting from Oxford Brookes University, UK. Armed with both the ACCA professional accountancy credential and the accounting degree, DISTED's ACCA graduates are better poised to take advantage of the employment market.
