

Inter-Ceremony Graduation In-Absentia 2021

Dear Graduating Students,

DISTED College would like to invite you to apply for the “Inter-Ceremony Graduation In-Absentia 2021” which is now open for registration till Friday, 6 August 2021.

The “Inter-Ceremony Graduation In-Absentia 2021” allows eligible students to officially graduate by applying for the conferment of Academic Awards, including your scroll and transcript, without having to attend a physical Convocation Ceremony.

The College acknowledges that the current situation makes it uncertain as to whether we can host large public gatherings like a physical Convocation Ceremony this year due to the COVID-19 pandemic.

Henceforth, we encourage eligible candidates who have completed their studies to avoid delaying and apply for the “Inter-Ceremony Graduation In-Absentia 2021” now.

- Eligible candidates can apply for the Inter-Ceremony Graduation In-Absentia 2021 by submitting the completed Registration Form at <https://forms.office.com/r/sujnxMnkqr> by Friday, 6 August 2021, together with the Graduation In-Absentia Fee of RM50.00.
- You will be notified via email once your registration for graduation in-absentia is successful.

OPTIONAL: Please note that, at your own cost, we have arranged for our gown supplier (D'Moment Creator) to allow eligible graduates to book their photography sessions at the supplier's photo studio in Kuala Lumpur. Alternatively, graduates may rent the academic robe (i.e. gown) directly from them for your self-arranged photography at your own selected location. You need to deal directly with the gown supplier on the arrangements and charges for this.

Further details will be informed through email from Registry.

Please accept our heartiest congratulations on your graduation at the Inter-Ceremony Graduation In-Absentia 2021.

Registrar, DISTED College
